

# Spring Gala 2017 A Success!

**Wah Mei's Amazing Staff (and Gala emcee Crystal Lee (bottom, far right)): Celebrating Wah Mei's commitment to multilingual, multicultural education. We couldn't do it without you!**

Wah Mei's 43rd Annual Spring Gala took place on Thursday, May 18th at the fantastic R&G Lounge. The gala was attended by over 80 enthusiastic supporters and featured a nine course meal, virtual silent auction, raffle and poignant speeches by current and past Wah Mei parents and supporters.

Not only was the gala a community building success, we also surpassed our financial goal! Proceeds will be used to enhance Wah Mei's arts enrichment programming- in fact, we've already begun planning our first activity made possible by the generous donations received during the gala- a field trip to the Children's Discovery Museum!

We were particularly pleased to welcome several Wah Mei founders and long-time supporters including the Honorable Lilian Sing and Martin King who, together, hosted a table of family and former board members. This reminded us of the importance of staying connected with our roots so that, together, we can chart an even brighter future!

We'd like to thank all of our amazing sponsors, supporters and volunteers. Big shout outs to R&G Lounge for the wonderful venue, Crystal Lee for her fabulous work as the evening's emcee, Michael Jeong Photography, and, of course, the faithful and tireless members of Wah Mei's Board of Directors.

**All smiles: Martin King with family and friends enjoying the evening.**

**Partners in success: Wah Mei parents and staff.**
